# HIGH RISK UNION BUSTER

## ALLAN BLOCK

## HAVE YOU SEEN THIS MILLIONAIRE?

**Name:** Allan Block

**Occupation:** Chairman and CEO, Block Communications

**Status:** Union buster

Allan Block just so happens to be one of the country's most ruthless union busters. He refuses to settle a strike at his newspaper in Pittsburgh over pennies on the dollar, and would rather spend millions on out-of-town, union busting attorneys to squash workers' rights.

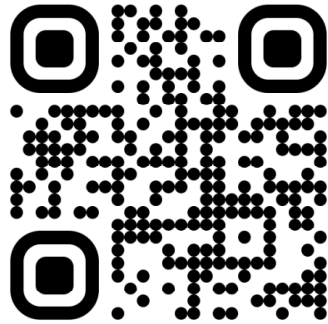

Instead of bargaining in good faith with journalists who won his newspaper a Pulitzer Prize, Allan breaks federal labor law and sits in Toledo with his fortune, unwilling to do what's ethical.

Union workers at the Post-Gazette are fighting for a fair contract. Allan is fighting to break them.

## IF YOU SEE THIS MAN, TELL HIM:

## BARGAIN IN GOOD FAITH WITH YOUR WORKERS AND STOP TRYING TO BUST THE UNIONS!

**TELL ALLAN BLOCK:**  
***SETTLE!***  
***THE!***  
***STRIKE!***
